Covid-19 Cancellation Policy: In the event of a Covid-19 related restriction preventing in-person gatherings at our venue, attendees can choose either a full refund or a partial refund to attend the conference virtually.

In the event an attendee is unable to travel, and the normal refund period listed on the registration page has lapsed, attendees will be provided a partial refund (the difference between the in-person and virtual rate) and access to the virtual event.

Tickets are fully refundable prior to July 15, 2022
